

Sticky Fingers Pre School

16 - In The Event A Child Is Lost Policy

Statement Of Intent

Children's safety is maintained as the highest priority at all times, both on and off (when on outings / walks etc) the premises. In the unlikely event that a child is lost during the pre-school session, we would put into practice our procedures for this situation.

Procedure:

- All children are accounted for during the day and their arrival and departure times are recorded in the register, in addition staff make regular headcounts.
- As soon as it is noticed that a child is missing, the key person/staff alerts the pre-school supervisor or her deputy (if supervisor is absent)
- The pre-school supervisor will search the surroundings of the pre-school and will inform Abbas and Templecombe School, as we are located on their site.
- The register is checked to make sure no other child(ren) has also gone astray.
- Contact the appropriate emergency services.
- Contact the parent(s)/carer(s), and if unable to contact, then we would ring the emergency contact number(s) as stated on the enrolment form.
- During this situation all other children would be kept safely indoors.
- The supervisor or deputy would take responsibility for dealing with the situation and all services involved.
- Ofsted would be contacted.
- All reports of the incident would be made available to the parent/carer.

Communicating the policy to staff, parents and carers

- Staff will be given a copy of the policy during their Workplace Induction
- Information for parents and carers will be provided in the prospectus. Also parents are asked to provide a clear, recent photograph of their child to support this procedure upon registration.
